## PATHWAY TO PARTNERSHIP AND BEYOND

Please join us to hear from openly LGBT law firm partners and in house counsel to learn about their journeys along the path to partnership and beyond. The speakers will address when they first considered partnership or heading in-house a goal, how they started moving in that direction, how they found mentors and sponsors and what was important to them in making those decisions. They will also cover some of the complexities of intersectionality and how to leverage your LGBT identity and work as an asset.

### TOPICS WILL INCLUDE:

- Leveraging your diversity and intersectionality in the workplace.
- How to foster and encourage a diverse workplace (i.e., important questions to ask, important action items and leadership initiatives).
- How to be successful, appropriately sensitive and mindful in a variety of workplace settings. Advice and inspiration for the diverse attorney.
